

WESTERN NEW YORK LIBRARY RESOURCES COUNCIL

Questioning existing practices.
Testing new ideas.
WNYLRC: a leader in library innovation.

InfoPass

Library Access Project Card - or InfoPass - valid for up to one year, may be issued to serious, responsible users by their home library or institution who voluntarily participate in the service. It allows InfoPass holders to utilize or check-out resources from other libraries who also participate in the service.

Participating libraries determine the extent of services to be rendered to InfoPass holders from outside their own user communities. Depending on the nature of the library and of the information materials sought, "access" may include borrowing privileges, on-site use of materials or consultation with a librarian.

Please Note: If your library currently participates or would like to participate, you must complete the [Annual Program Activation Form](#) or call WNYLRC at 716-633-0705 X100.

In order to be able to issue InfoPasses to library patrons, the library staff member must first be registered on WNYLRC's website. Then the library's InfoPass representative must email or call WNYLRC to have InfoPass rights assigned to designated staff members.

For a complete list of participating libraries see: [WNY Library InfoPass Access Guide](#).
