Preservation Committee

Committee Charge:

- To assess the need in Western New York for preservation and conservation
- To foster education and an awareness of sound conservation and preservation practices in an ever shifting digital world and to that end:
  - To be a regional resource for facilitating knowledge of and promoting an attitude for conservation and preservation;
  - To provide training, including implementation of preservation standards, including metadata, open source technology, digitization and born digital preservation practices.

*Committee charge reaffirmed by the WNYLRC Board of Trustees on May 24, 2017.*

Co-chairs: Jessica Gavin and Amanda Shepp

Digitization Basics Series: Photography

This brochure is one of what will be a series of brochures to assist people in learning the basics of digitization. Produced by Omar Brown, Ken Swiatek, and Christine Riggi of the WNYLRC Preservation Committee.
